(Issued November 26, 2001)

The Utilities Board (Board) docketed the March, April, May, June, July, and August purchased gas adjustment (PGA) filings of United Cities Gas Company, a division of Atmos Energy Corporation (United Cities), to review compliance with Board rules concerning calculation of PGA factors. The filings have been identified as Docket Nos. PGA-01-14, PGA-01-19, PGA-01-28, PGA-01-32, PGA-01-38, and PGA-01-52, respectively. On October 1, 2001, United Cities filed its annual reconciliation for the period September 2000 through August 2001. The annual reconciliation filing addresses overcollections and undercollections for the period. The Board reviewed the annual reconciliation and found that the reconciliation substantially complied with Board rules. The annual reconciliation was approved to be effective November 1, 2001.
